

# My Sunflower Song

*(Sing to the tune of 'My Bonnie Lies Over the Ocean'. )*

My sunflower will be the tallest,  
My sunflower's taller than me.  
My sunflower will be the tallest,  
It's still growing taller you see.

Sunshine, sunshine,  
helps my flower to grow, to grow.  
Sunshine, oh sunshine,  
helps my flower to grow.

My sunflower opens when sunny,  
My sunflower turns to the sun.  
My sunflower opens when sunny,  
Growing a sunflower's fun.

Sunshine, sunshine,  
helps my flower to grow, to grow.  
Sunshine, oh sunshine,  
helps my flower to grow.
