

Year 2 Term 4: Superheros!

Welcome back to the start of a new and exciting term! We have an amazing topic and we are all looking forward to the fantastic and wonderful homework projects that you share with us!

Compulsory Homework Activities

Your child will continue to use their homework book to work in.

- English and Maths tasks will also be given to help reinforce the learning expectations of the National Curriculum and will link to our learning within school. Initially this will be a few tasks throughout the term but will increase in frequency and become a weekly task as expectations build throughout the year.
- Homework books will be sent home on a **Monday** and we ask that they are returned to school by **Friday** of the same week to allow class teachers time to mark the completed homework before new tasks are sent home.

Additional optional Topic Homework Ideas- to do throughout the term

- To support our topic learning, we ask you to complete additional tasks and projects using some of the ideas below. These are only *suggested activities* and we welcome your creativity so if your child has a different idea that links to the topic- brilliant! Please share images of these projects via Evidence Me.

Possible Superhero Ideas:

- Create your own superhero story
- Research a real-life superhero
- Be a superhero at home! Help put the washing away/ get your school bag ready and record how many times you've been super helpful at home
