

# TERM 4: Rumble in the Jungle!

Welcome back to Term 4! We hope you have had a wonderful half term and are ready for the new term ahead! This time our theme for Term 4 is 'Rumble in the Jungle' and we are sure you are going to love this one!

## Compulsory Homework Activities

Over the course of Term 4, your child will be expected to;

- Read regularly at home using their decodable book. Please read each book at least 3 times as this supports reading development and helps build fluency and comprehension skills. You can revisit tricky pages during your rereading opportunities.
- Develop their spelling of tricky words and common exception words. They should choose 5 a week and could use rainbow or pyramid writing to learn key words. Where possible these words should then be used in short sentences.
- Choose their own home project or projects (using the suggestions below) that link to our topic that can be shared with us in school.

## Topic Homework Ideas- To do anytime throughout the Term

- To support our topic learning, we ask that you choose and complete additional tasks and projects using some of the ideas below. These are only suggested activities and we welcome your creativity so if your child has a different idea that links to the topic- brilliant! We welcome children to take photographs of the projects that they have completed (including the creation process if applicable) that can be shared via our year group emails to be shared in school. Please use [Y1@paulton-inf.bathnes.sch.uk](mailto:Y1@paulton-inf.bathnes.sch.uk) or [Y2@paulton-inf.bathnes.sch.uk](mailto:Y2@paulton-inf.bathnes.sch.uk) and put your child's name and class in the subject line.

## Possible Ideas for 'Rumble in the Jungle':

- Make a model of a jungle animal or setting using clay/shoeboxes/play doh
- Write a story that has a jungle as the setting
- Make some masks or puppets from old socks and act out a jungle scene!
- Design your own jungle creature and give it a unique name
- Make a rainmaker using an old kitchen roll tube and rice/dried beans
- Write a letter to a scientist about saving some jungle animals
- Pack a bag and decide what you will need in your explorer backpack
- Make a jungle obstacle course in your garden and time yourself doing it
- Any other idea you have!

**PARENT:** I confirm that I have read through this with my child and will support them in any homework they undertake.

Signed: .....

Thank you for your continued support from the KS1 Team 😊
