

Y2 Term 5: Marvellous

Minibeasts!

Welcome back to the start of a new and exciting term! We have a great topic planned. We cannot wait to see the projects you come up with ☺

Compulsory Homework Activities

- Over the course of Term 5, your child will receive a weekly homework task to help reinforce the learning expectations of the National Curriculum. The homework task will focus on use of either their English or Maths skills and will link to our learning within school.
- Homework books will need to be in school every Friday to ensure new homework can be marked and sent home. Thank you.

Additional Topic Homework Ideas- To do as a project throughout the Term

- To support our topic learning, you may wish to complete additional tasks and projects using some of the ideas below. These are only suggested activities and we welcome your creativity so if your child has a different idea that links to the topic- brilliant!

Suggested Homework Tasks:

- Create your own 3D minibeast
- Minibeast diary – which different insects can you spot through the week?
- Write your own minibeast poem or riddle
- Draw a map of your route to school, make sure you include roads, trees, hills and anything else important you might see
- Create a minibeast poem
- Create a bug hotel for your garden
- Write a book review for your favourite book with a minibeast in, for example it could be: *The Very Hungry Caterpillar*, *What the Ladybird Heard*, *Superworm*.
- Any other idea you may have!

PARENT: I confirm that I have read through this with my child and will support them in any homework they undertake.

Signed:

Thank you for your continued support, from the KS1 Team. ☺
