

Year 2 Homework—

Below are a variety of maths questions which your child should be able to do.

They may need support to read some of the questions. For the last two questions there is also space to show their workings out.

The movie started at 8 o'clock. It finished two hours later.

What time did it finish?

o'clock

Complete the shape pattern.

Put the numbers in order from the greatest to the smallest.

73

7

71

Name the 3D shape.

 $27 + 44 =$
