Read/watch the story 'The Great Pet Sale'. You can watch Miss Light reading the story here: <a href="https://youtu.be/cG_K13Zcg1U">https://youtu.be/cG_K13Zcg1U</a></p> <p>You can also read/watch the story here: <a href="https://www.youtube.com/watch?v=bWw_fHtAu5k">https://www.youtube.com/watch?v=bWw_fHtAu5k</a></p> <p>Discuss with your grown-ups: In the story, which pet animal is your favourite and why? Do you have a favourite pet animal? Why is it your favourite? Is there a pet animal that you don't like? Why don't you like it?</p> 	<p><b>Listening and understanding and writing:</b></p> <p>Draw a picture and write about your favourite pet animal. You could choose a dog, a hamster, a snake, a horse or maybe even a pet spider! You could even choose your own pet if you have one at home.</p> <p>We would love to see your pictures and writing on Evidence Me!</p> <p>Watch Miss Light's video here: <a href="https://youtu.be/zZJNMfU6ONY">https://youtu.be/zZJNMfU6ONY</a></p> 	<p><b>Listening and understanding:</b></p> <p>On the website, you will find pictures of different pets. We want you to play the game 'Find The Pet'.</p> <p>You need to describe your pet to your grown-up without telling them what pet you have chosen! Your grown-up has to guess what pet you are thinking of. Don't forget to describe their colour, how many legs they have, what they might eat, what noise they make, etc.</p> <p>Watch Miss Light's video here: <a href="https://youtu.be/lUPDfnoz8kc">https://youtu.be/lUPDfnoz8kc</a></p> 	<p><b>Personal Choice:</b></p> <p>Rotational options:</p> <ul style="list-style-type: none"> <li>• Quiet reading time with a book of children's choice (book bags, book corner, library, home)</li> <li>• Practise a-z letter formation. **Literacy Adult Led Activity:** **Colourful Semantics:** Practise writing captions using colourful semantics with a focus on capital letters, finger spaces and full stops. On the website, you will find a new set of colourful semantics pictures which include our newer digraphs and trigraphs from Phase 3. You can also watch Miss Light's video from last term for extra support on how to carry out a colourful semantics activity: <https://www.youtube.com/watch?v=xdKl8XYbX5g&feature=youtu.be> Use of a sound mat will also support your child to write these captions.

**Review phase 3 sounds. Read words with double letters.**

Watch the lesson with Mrs Upham (link on website)

Activity: read and draw

**Phonics adult led activity**

Practise all sounds. Practise all tricky words. Choose books to read from the Letters and Sounds ebook library on <https://www.oxfordowl.co.uk/>. Choose books that offer some challenge but are still enjoyable to read. While we have introduced all the phase 3 sounds, that doesn't mean every child is ready to read stories featuring the new digraphs and trigraphs. Reading books from earlier sets provides essential blending practice and will encourage reading for pleasure. By re-reading the same book at least 3 times can help children develop fluency.

## PE

We encourage you to access daily physical activity opportunities.

Physical health: Joe Wicks, Cosmic Kids and Kidz Bop on YouTube all support daily, family friendly work outs!

You could even revisit older videos and challenge yourself to improve. All EYFS classes are going to forest school this term. If you can access some outdoor space make time for some play in the fresh air.

## INSET DAY

## Expressive Arts and Design:

Watch a video that teaches how to draw a pet. Follow the instructions step by step. You might need to have a few goes before you are happy with your result. Use your emerald power! We know that making mistakes can help us learn.

Here are some videos but your grown up might find another you prefer.

### Guinea Pig

<https://www.youtube.com/watch?v=XWXghrdNbLs>

### Horse

<https://www.youtube.com/watch?v=laVebaRmKdA>

### Puppy

<https://www.youtube.com/watch?v=re4aKD1mHAg>

### Cat

<https://www.youtube.com/watch?v=VhipzJ3FYFE>

## Expressive Arts and Design:

Role play a pet shop or a vets.

Gather together a selection toys to 'sell' in your pet shop. You could write name labels for the pets. Can you make price tags for the pets? (*Extra maths - If you want to practise your number bonds within 10 and coin recognition we suggest you price things between 1p and 10p. You can then use 1p, 2p, 5p and 10p coins to make amounts in different ways*). Role play your pet shop with others in your house. Perhaps there is a relative or friend on zoom who would like to have a go too.

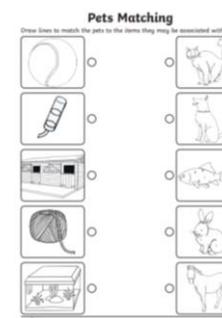

When you have finished with your pet shop you could turn it into a vets.

## Understanding the World:

Different pets need different equipment to feed them, keep them comfortable and to entertain them.

Have a go at matching the pets to the objects they need.

Extra challenge: think of a different pet. Can you draw this pet and some of the equipment they need?

## Video challenge:

We would love to take this chance to learn about each other's pets. Can you make a short documentary video about your pet? Tell us its name, what it eats, where it sleeps and any other details about your pet that you would like to share. If you don't have a pet, you can make a short video about a pet you would like to have and why you would like it.

Miss Light made a video about her friend's tortoise.

<https://youtu.be/jOrZQz84L7M>

Mrs Upham made a video about her cat.
