

Year 1 Term 5 Week 5	Monday	Tuesday	Wednesday	Thursday	Friday
<p><b>Reading</b></p> <p>Read every day either on your own or with someone else. Listen to stories read by others including audiobooks.</p> <p><b>Recommended:</b> follow these daily lessons for Year 1 <a href="https://www.youtube.com/channel/UCPFbjYUP_UtldV2K-niWw">https://www.youtube.com/channel/UCPFbjYUP_UtldV2K-niWw</a> Each daily lesson will be uploaded at 10:30am but will available throughout the summer term.</p>	<p><a href="#">Daily phonics</a></p> <p>Did you know that ‘Twinkle, Twinkle, Little Star’ was actually written as a poem over 200 years ago? It was written by a woman named Jane Taylor.</p>  <p>Listen to the whole poem.</p> <p><a href="https://www.bbc.co.uk/bitesize/clips/zt8w6sg">https://www.bbc.co.uk/bitesize/clips/zt8w6sg</a></p> <p>Practise speaking the first verse of the poem out loud. Perform it clearly, loudly and slowly. Pretend you are on stage!</p> <p>Can you have a go at learning any more verses of the poem?</p>	<p><a href="#">Daily phonics</a></p> <p>Look at the front cover of a book you haven’t read before. This could be a book from your house or one from the Oxford Owls website. (login: classname20 e.g. ruby20 password: books)</p> <p>Predict 3 things you think will happen in the story.</p> <p>Read the book, either on your own or with a grown up, to check. Were you right? Did anything in the book surprise you?</p> 	<p><a href="#">Daily phonics</a></p> <p>Read and Listen to the story ‘Man on the Moon’ by Simon Bartram.</p>  <p><b>Answer the questions on the website.</b> You might need a grown up to help you read these. You can either write down your answers or just discuss them with your grown up.</p> <p>Extra challenge: Can you think of 2 more questions you could ask someone about this book?</p>	<p><a href="#">Daily phonics</a></p> <p><b>Print or copy out the ‘Read and draw’ sentences on the website.</b></p> <p>Read the sentences carefully. You might need your sound mat to help you. Remember, you can draw on buttons and bars to help you spot the digraphs if that helps you.</p>  <p><b>There is a cat in the tree.</b></p>	<p><a href="#">Daily phonics</a></p> <p><b>Read the sentences on the website that feature some of the Year 1 common exception words.</b> Decide if they are True or False. What is <u>your</u> opinion?</p>  <p>Extra challenge! Can you write your own true/false reading challenge for someone in your household using some of the Year 1 common exception words? You could even try some Year 2 words!</p>

## Writing

Remember to use capital letters, finger spaces and full stops; take care with spelling and handwriting.

## Recapping 'and'

BBC Bitesize lesson:

<https://www.bbc.co.uk/bitesize/articles/zhmwqp3>

**NB: the children do not need to know the phrases 'coordinating conjunction'**

You can complete Activity One highlighting 'and' in the sentences.

If you would like a challenge you can complete Activity Two/Three.

## Recapping 'and'

Look at this picture below. What do you see?

One or two good sentences where you have used 'and' is super. We would like quality rather than quantity.

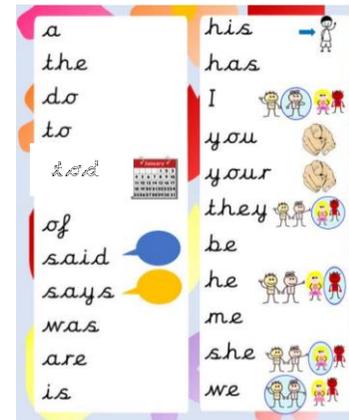

Remember:

- Use 'and' once in the sentence
- Capital letters
- Full stops
- Finger spaces
- Neat handwriting

## Year 1 common exception word spelling practice

Can you spell these Year 1 words correctly? Pick as many as you would like to practise

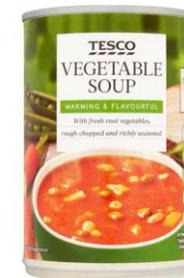

## Handwriting practice

Today you are a handwriting superhero! Your mission is to find a few objects around your house that have writing on. Then in your exercise book (or other paper) you can practise writing these words as neatly as possible!

Winnie  
the Pooh

Vegetable  
soup

## This week

Can you write one or two good sentences about something that has made you smile this week?

Remember:

- Use 'and' one in the sentence
- Capital letters
- Full stops
- Finger spaces
- Neat handwriting

## Maths

White Rose are developing daily lessons that include a 5 minute video and accompanying questions. You could print the questions out or just answer them verbally using scrap paper for any jottings/working out.

<https://whiterosemaths.com/homelearning/year-1/>

If you have the technology to access this site please do. If you can't, or you can tell your child needs something more practical today, then other ideas are included here.

### White Rose Home Learning Summer Term – Week 4

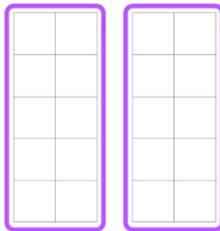

**Lesson 1 – Adding by making 10**  
Accompanying Worksheets are on the school website

#### And/or

Write down your own number additions up to 20

e.g

$$9+4 \quad 3+11 \quad 8+7$$

You can make them as tricky as you like!

You could cut them out and pull them out of a hat

Using the two 10 frames or part-part whole template have a go at answering your own questions.

### White Rose Home Learning Summer Term – Week 4

**Lesson 2 – Subtract within 20**  
Accompanying Worksheets are on the school website

#### And/or

Play Funky Mummy subtraction to 20.

Use your super maths methods to help you!  
<https://www.ictgames.com/mobilePage/funkyMummy/index.html>

Do you need a number line?

A ten frame?

Practice different ways of subtracting

Extra Challenge?

Have a go at this subtraction sheet to colour in and find the image.

### White Rose Home Learning Summer Term – Week 4

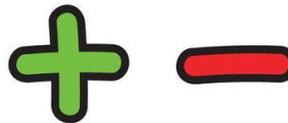

**Lesson 3 – Add and subtract worded problems**  
Accompanying Worksheets are on the school website

#### And/or

Have a go at the addition word problems.

Pick the level you want and have a go at answering.

Think about if you need to do a + or a –

Extra Challenge?

Make up and solve your own maths challenge! Come up with 1 addition and 1 subtraction.

### White Rose Home Learning Summer Term – Week 4

**Lesson 4 – Compare number sentences**  
Accompanying Worksheets are on the school website

#### And/or

Have a look at BBC bitesize learning more about more than, less than and equal to  
<https://www.bbc.co.uk/bitesize/articles/zmf6hbk>

Choose 2 addition or 2 subtraction cards. Answer the addition or subtraction and draw the symbol to say if it is more than, less than and equal to

$$\begin{array}{ccc} 10-2 & < & 12+8 \\ \hline 6-1 & & 17+2 \end{array}$$

Pick new cards and repeat the activity. Pick your set of cards:  
Challenge 1 cards = up to 10  
Challenge 2 cards = up to 20

Extra Challenge? Can you make your own more than, less than or equal to additions and subtractions.

With a deck of cards, pull out 2 numbers. Can you have a go at adding them together? Can you take them away from each other?

You could make  
Ace = 1  
Jack = 12  
Queen = 15  
King = 20

If you do not have cards, have a go at making your own number cards or use our resource on the website.

Remember to use part-part wholes, number lines and 10 frames to help you.

Optional:  
[White Rose Home Learning Summer Term – Week 4](#)

Lesson 5 – Maths Challenge

## Wider Curriculum

Physical health: Joe Wicks, Cosmic Kids and Kidz Bop on YouTube all support daily, family friendly work outs! Enjoy a walk or a jog together. Stretch.

Social and emotional health: work hard to be kind to and patient with the people you live with. Help keep the house clean and tidy. Use breathing and counting to calm down when you need to. Go to a quiet space when you need to.

At the end of each day you could take it in turns to talk and listen to each other's 'rose' (something good) and 'thorn' (something tricky) from the day.

## Family Challenge Time

Your challenge is to build your own chain reaction course. It can be as simple or as complicated as you want to make it from a row of dominoes to an all around the house affair.

Here are some video links to give you some ideas.

<https://www.youtube.com/watch?v=llGyVa5Xftw>

<https://www.youtube.com/watch?v=2odi5nszWkc>

## RE Eid

Last week you learnt about Ramadan – an important month for Muslims.

This week you are going to find out about the special festival at the end of Ramadan - Eid al-Fitr. This begins on the 23<sup>rd</sup> May this year. Watch the clips on this page.

<https://www.bbc.co.uk/cbeebies/puzzles/lets-celebrate-eid>

Do you think you would enjoy this festival? What festivals do you celebrate?

Then you could:

- \*Dress up, help prepare some food and have your own family feast!
- \*Use facepaint to practise your own mehndi style paints on your hands.
- \*Draw a picture of a family celebrating Eid.

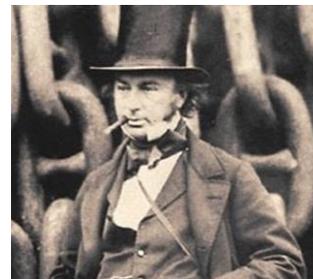

## History

Watch this video about the famous engineer Isambard Kingdom Brunel and talk about the questions with your grown up.

<https://www.bbc.co.uk/teach/class-clips-video/true-stories-isambard-kingdom-brunel/zjrtvk7>

Who was Isambard Kingdom Brunel?

What do you know about his life? Where could you go near here to see some of his creations? Why is he an important person in history? What might life be like now if he had never lived?

Can do make your own model of a steam train or paint a picture?

## Design Technology

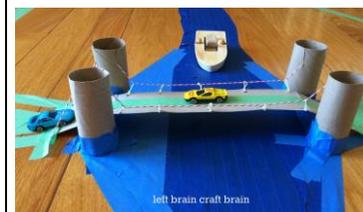

Like Brunel, can you design and make a bridge? Can it be strong enough to support a toy car? A teddy? Can you make it support something even heavier?

**Step 1 - PLAN)** Plan your bridge. What materials are you going to use? How will you join them together? What do you want your bridge to look like? You might want to research different types of bridges. Can you sketch your plan?

**Step 2 - MAKE)** Build your bridge.

**Step 3 – EVALUATE)** How strong was your bridge? Why do you think that was? What went well with your bridge? What would you do differently next time?

## THRIVE

Emotional wellbeing is so incredibly. Check out our Thrive and Play page on the website and choose some activities to try <https://www.paultoninfantschool.co.uk/thrive-play>

Frozen flowers and spicy paints are just some of the ideas suggested on this page in the ideas at home section.

Switch on all your senses and enjoy some relaxing, sensory time!

Documents on the school website to support this week's learning activities:

- Man on the Moon questions
- Read and draw
- True or false common exception word challenge.

- White Rose worksheets
- Ten frames templates
- Subtraction colour sheet
- Addition and subtraction word problems
- Challenge 1 Addition cards
- Challenge 1 subtraction cards
- Challenge 2 Addition cards
- Challenge 2 subtraction cards
- Number cards for addition/subtraction game
