

# KS1 TERM 4: Superheroes!

Welcome back to the start of a new and exciting term! We have a great topic planned. We cannot wait to see the projects you come up with 😊

## Compulsory Homework Activities

- Upon reopening of school, your child will receive a regular homework task linked to our learning in school. The homework task will focus on use of either their English or Maths skills and will link to our learning within school for children to consolidate and practise key skills.

## Additional Topic Homework Ideas- To do if you have time throughout the Term

- To support our topic learning, you may wish to complete additional tasks and projects using some of the ideas below. These are only suggested activities and we welcome your creativity so if your child has a different idea that links to the topic- brilliant!
- Usually we would hold a celebration session to share all of the amazing projects that you create however in our efforts to remain COVID secure, this is not possible. Instead, we welcome children to take photographs of the projects that they have completed (including the creation process if applicable) that can be shared via our year group emails to be shared. Please use [Y1@paulton-inf.bathnes.sch.uk](mailto:Y1@paulton-inf.bathnes.sch.uk) or [Y2@paulton-inf.bathnes.sch.uk](mailto:Y2@paulton-inf.bathnes.sch.uk) and put your child's name and class in the subject line 😊

## Possible Superhero Ideas:

- Create your own superhero story
- Research a real-life hero (Adult or child)
- Be a superhero at home! Help put the washing away/ get your school bag ready and record how many times you've been super helpful at home
- Write about somebody who has been a superhero to you, it could be mum/ dad/ a friend
- Design a superhero costume for a new superhero
- Find out what special powers the people in your family would like to have if they had superpowers and make a bar graph or pictogram
- Make a superhero mask
- Create a comic strip about your favourite superhero
- Design a poster featuring a new superhero such as Anti-Litterman and share their important message
- Make a 3D model of a superhero
- Use non-fiction books and the internet to find out about Guinness World record holders and their superhuman achievements
- Any other idea you may have!

**PARENT:** I confirm that I have read through this with my child and will support them in any homework they undertake.

Signed: .....

Thank you for your continued support, from the KS1 Team. 😊
