

Year 1 Week 2	Monday	Tuesday	Wednesday	Thursday	Friday			
<p>Reading</p> <p>Read every day either on your own or with someone else. Listen to stories.</p>	<p>Choose 3 CEWs. Read them, then see if you can find them in a story book.</p>	<p>Read a few pages of your reading book. Can you tell your grown up what has happened so far and predict the ending?</p>	<p>Have you tried the Oxford Owl website? Your username is classname20 (e.g. jade20) and the password is books.</p> <p>Choose an ebook to read today!</p>	<p>Read a few pages of your reading book. Can you tell your grown up what has happened so far and predict the ending?</p>	<p>Have you tried Teach Your Monster to Read, it's currently 99p* to download on the app store, or to play online! Have a go!</p>			
<p>Writing</p> <p>Remember to use capital letters, finger spaces and full stops; try to join ideas with 'and' or 'but' and take care with spelling and handwriting.</p>	<p>Write about your weekend (this could become a weekly or daily diary).</p> <p>Can you use a word ending with -ing? e.g. amazing, boring, jumping, running, sitting</p>	<p>Practise writing your full name. Really focus on handwriting. Capital letters start at the top. Small letters start on the line. Use the letter formation rhymes to help you. Remember that some letters are tall; some are small and some have tails that hang below the line.</p>	<p>Have a go at writing the CEWs they, love and said. Can you put them in sentences?</p>	<p>Practise writing words with the sounds ie and oe. e.g. tie, pie, cried, dried, fried, tried, toe, foe, goes, woe. Can you put them in a sentences?</p>	<p>Write a letter to someone you haven't seen for a while. Can you use and or but to join two ideas. Don't forget we only use these words once in each sentence! You could ask your grown up to post the letter next time you go for a walk.</p>			
<p>Maths</p>	<p>Practise counting in 2s – perhaps you could use shoes or socks to help you count. Can you make your own word problems for your family to solve? e.g. I have ten pairs of shoes, how many shoes do I have? I have four bowls. Each bowl has 2 biscuits. How many biscuits do I have?</p>	<p>Look at a collection of coins – can you recognise the value of each coin? Find as many ways as you can of making 20p.</p> <p>Practise making amounts with coins: https://natwest.mymoneyse.com/students/students-5-8/coin-cruncher/</p>	<p>Create your own number cards (0-9). Choose three cards. Write down as many 2 digit numbers as you can using only these three numbers. e.g. <table border="1" style="display: inline-table; vertical-align: middle;"><tr><td>4</td><td>2</td><td>7</td></tr></table> I can make: 24, 27, 42, 47, 72, 74</p> <p>You could use this website to make the number using 10s and 1s: https://www.topmarks.co.uk/Flash.aspx?f=diennesandcoinsv3.</p>	4	2	7	<p>Use two dice – if you don't have any, you could use an online dice. Write an addition number sentence using the numbers you've rolled. e.g. 5+4 = 9 Can you draw this in a part-part-whole?</p>  <p>This is one of many 'dice' you will find online: https://www.random.org/dice/</p>	<p>Practise telling the time to o'clock. You could try telling the time at half past too!</p> <p>Remember, the short hand tells you the hour and the long hand tells you the minutes.</p> <p>You could practise telling the time with this game: http://www.ictgames.com/mobilePage/hickoryDickory/index.html</p>
4	2	7						

<p>Wider Curriculum Join Joe Wicks on YouTube for a daily, family friendly work out!</p>	<p>Play a catching/throwing game – if possible, use your outdoor space. Practise throwing and catching from a short distance, gradually increase your distance. Remember, it's important to watch where the ball is heading and prepare your hands to catch!</p>	<p>Explore what floats and sinks. You could do this in a bowl of water or at bath time in the bath! Choose a selection of toys/objects around the house that <i>can</i> safely go in water. Find out if your objects float or sink. You could record this by making a list of items that float and items that sink.</p>	<p>Draw your favourite animal using pencil. Can you add colour using crayons or paint? Explore ways of making the animal's fur, scales, skin etc. appear realistic.</p>	<p>Make a model using construction of your choice (you could even try junk modelling!) Have fun being creative!</p>	<p>Play a game of dominoes – if you don't have a set, you could make some! All you need is some paper (or card, you could chop up card from your recycling) and a pen or pencil to draw the number patterns!</p>
---	--	---	---	--	--

CEWs – Common Exception Words – some of these we call *tricky words*. They are usually words that do not follow the expected spelling pattern.

*Teach Your Monster to read app is usually £4.99. Price is correct at time of writing.
