19 July 2024

Dear Parents/Carers,

As we approach the end of another academic year, I am delighted to reflect on the achievements and progress made across our Multi Academy Trust. Despite the challenging financial landscape, this year has been filled with many triumphs and we are proud of the resilience and dedication displayed by our pupils, staff, and community.

Firstly, we would like to extend our gratitude to our pupils. Their hard work, curiosity, and determination have been inspiring. Whether they were engaging in classroom learning, participating in extracurricular activities, or contributing to community projects, their commitment has been unwavering. We have seen exceptional performances in exams, creative projects, sports and the arts, showcasing the diverse talents within our Trust.

Our teaching and support staff deserve special recognition for their continued excellence. Their commitment to providing a high-quality education and supporting the well-being of our pupils is the cornerstone of our success. They have remained steadfast in their mission to inspire and educate.

We are also grateful for the support and involvement of you, the parents and carers. Your engagement and collaboration with our schools has been invaluable. Whether through supporting your child's learning at home, participating in school events, or serving on parent committees, your contributions have greatly enriched our community.

This year, we have made significant strides in various areas. We have leveraged the advantages of being a group of schools by bringing staff together to share their learning and development. This collaboration ensures we continuously innovate and evolve, providing our pupils with the best possible opportunities. We have also had nine Ofsted inspections across the organisation this academic year, which have validated the strong provision we have in place across our Trust. Our commitment to inclusion and diversity has been strengthened through new programs and initiatives, ensuring that every pupil feels valued and supported.

We would like to thank our Governors for their invaluable contributions and would welcome members of the wider community to explore becoming a governor. More information can be found on our website.

As we look forward to the next academic year, we remain dedicated to our mission of providing an outstanding education for all our pupils. We will continue to innovate and adapt, ensuring that our schools are places where every child can thrive and reach their full potential.

Finally, I want to wish all our pupils a restful and enjoyable summer break. To those moving on to new adventures, we wish you every success. For those returning, we look forward to welcoming you back, refreshed and ready for another year of learning and growth.

Kindest regards,

Belinda Deery
Chair of the Board

Emily Massey
CEO
