

Dear Parents/Carers

We have a week to go until half term—which is extended slightly as there is an INSET day on the Monday—so back to school on Tuesday 1st March.

Celebration Assembly

This weeks Stars of the Week are:

Opal Class: Nellie for super, independent alien writing! Nellie has really been focusing on using finger spaces in her writing. Great effort, Nellie!

Jade Class: Heidi for using her Emerald power when writing about her alien picture.

Emerald Class: Kacper for using emerald power and not giving up in his maths.

Jack for using his fantastic effort in his writing and editing his work carefully.

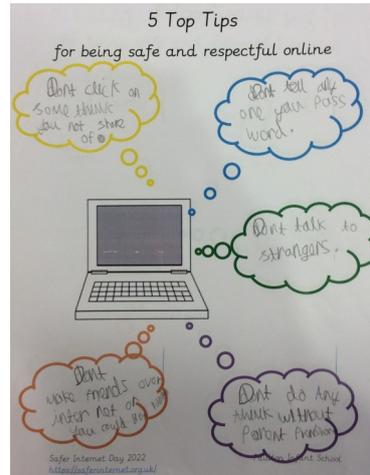

Ruby Class: Logan for practicing reading lots at home and in school with a positive attitude.

Diamond Class: Isabelle for using her diamond power in maths and solving tricky addition problems!

Topaz Class: Theo for his incredible sentence writing.

Amethyst Class: Leo P for his kindness, empathy and caring attitude to everyone in our class. He is incredibly hard working and always tries his best in everything he does. Leo made us all smile this week when he played the role of Steve Backshall in our hot seating challenge. Well done Leo!

Sapphire Class: Matilda for some fantastic use of her Sapphire power to write descriptive sentences about Dinosaurs!

Safer Internet Week

This week we have celebrated Safer Internet Day. We have been discussing the ways we access the internet using a variety of technology, thinking about the impact of our behaviour when playing games online and thinking about ways we could make the internet a kinder, safer place. Across the school, the children have shared their ideas for being safe online. Here are some of their top tips:

Be kind

Don't share your password with other people

Ask a grown up if you want to go online

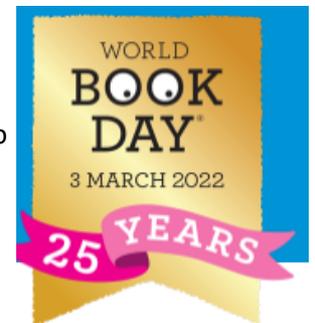

Ask before you take a picture and don't share it online

If you're worried about something, speak to a **grown up who will help you.**

You can find further information about online safety on the school website [Online safety | Paulton Infants](http://www.paultoninfantschool.co.uk) (paultoninfantschool.co.uk)

World Book Day

World Book Day is on Thursday 3rd March. Children are invited to dress as their favourite book character. There will be other activities happening throughout the week—further information will follow.

Covid

The rates for Covid have eased within the school. If the rates continue to remain low next week the risk assessment will change and adults will no longer need to wear face masks in communal areas in school.

Lastly, please join me in congratulating Pippy Tovey in Opal Class as she has been taking part in Waitress at the Bristol Hippodrome. Well done and what a fantastic experience!

As always, please feel free to arrange an appointment or come and see me at drop off or pick up times if you would like to discuss any issues.

Many thanks. Emily Omell
