

Paulton Infant School Newsletter No. 1 September 2021

www.paultoninfantschool.co.uk

Dear Parents/Carers

What a wonderful start to the term we have had! The children, parents and the staff have been extremely welcoming and I couldn't have joined a nicer school! We have much to celebrate already; congratulations go to our four KS1 winners in our celebration assembly:

Louie from Diamond for writing amazing sentences and giving 100% effort in English.

Maia from Topaz for creating a wonderful and very detailed story map.

Cole from Amethyst for super science work on living things.

Ava from Emerald for amazing sounding out and story retelling in her writing.

SCHOOL WORK CELEBRATION

Amethyst Class have been very creative in class. They have created a beautiful class tree by drawing their own leaves, mixing blue and yellow paint to make lots of different shades of green and then they added them to

their class tree. They have created some fabulous collaged owls too.

FUNDRAISING

Guess the weight of the pumpkin!

Hot news off the press! The PTA are holding a competition to raise funds for both schools. A poster will follow—but just to give you an idea of what is afoot: The draw will be on Friday 22nd October just before half term. Entries will be £1 per guess, closest guess wins. The weights will be listed and people can choose whichever they think is best. Nature's Vets have agreed to weigh it and write the answer and seal it in an envelope. So no one will know! Kelly Brookbank will be outside school everyday in the two weeks running up to half term to take people's guesses and money.

SAFEGUARDING

Please see the attached poster from BANES Council with regards to Private Fostering.

Lastly, many thanks again for the wonderful welcome. If you would like to speak to me at anytime—please feel free to catch me at the front of the school or call the school office to arrange an appointment.

Have a lovely weekend,
Emily Omell

I would also like to share a lovely event that happened on the way back from swimming this week. A member of the public came into the school reception and wanted to let us know how well behaved she thought the children were. She highlighted an individual child who was very polite and said "thank you so much for letting us pass". So a huge well done to all the children in Topaz Class, especially Florence Hitchins who represented our school so beautifully. It's always lovely to hear good news stories!

GOODBYES

We have two more good byes to share with you. Mrs Johnson and Mrs Potts in Topaz Class are on to pastures new. Mrs Johnson's last day in school is on Monday and Mrs Potts will be leaving in a month's time. Mrs Potts will be working closer to home and Mrs Johnson plans to pursue other interests. We would like to take this opportunity to thank them very much for their time here at Paulton Infant School and wish them every success in the future.
