Dear Parent/Carer,

ARTS Week

The children had a fantastic week and our thanks go to Miss Clarke and Governor, Mrs. Yoxall-James for their superb organisation. We should like to thank, also, Mrs. Catternach, Mrs. Wallis, Mrs. Curtis, Mrs. Nowell and Mrs. Roberts who worked with children on a wide range of artistic activities. We are so fortunate to have such talents to draw upon and I know you will be impressed when you view finished results on Celebratory Evening (10/07/14).

Friday swimmers & Y2 Gala 4th July 2014

Swimming Pool instructors have decided to try separate Y2 class Gala events this year. Times for spectating will therefore be as follows :

Class 2S 10.10 – 11.00 a.m.
Class 2R 11.10 – 12 noon

Class R2's lesson will take place at usual time.

Sports Morning - Wednesday 9th July, weather permitting.

This year we are trying something different by having sports in the morning. This will give us longer and the children will be more energetic! Timings and details will follow.

If it is clear that Sports Day will not take place due to bad weather, a message to this effect will be recorded on the school answer machine. Hopefully, it will be possible to reschedule.

Reports

Reports will be issued on Friday 4th July along with details of Teacher Assessment scores for Year 2 and Phonics scores for Year 1. Next year's teachers for Reception and Y1 classes will be included and also the morning your child will be swimming next year.

Please note that we will, as usual, hand your reports to you personally so if you are **not** collecting your child, please give **WRITTEN DETAILS** to your child's teacher or any other adult who you wish to make the collection on your behalf.

Party in the park - 05/07/14

Y2 will perform their Dance Umbrella routine at approximately 2.30 p.m. **ALL** children are invited to attend in Fancy Dress (World War 1 theme) at 1.45 p.m. for the parade, followed by judging.

New Classrooms

Classes 2R and 2S children are absolutely thrilled with their beautiful new spacious and airy classrooms. Work is progressing to equip us with a semi-operative kitchen and P.E. storage area.

Everyday issue

As a school, we endeavour to communicate with you as parents in a professional and polite manner even when problems arise. Thank you to our parents who always treat all staff with respect. The Governors and the Leadership will not tolerate abusive behaviour directed at any member of staff.

Sun cream/hats

During hot weather we strongly recommend that your child brings a named sunhat to school. I am sorry we are not permitted to apply sun cream. During the lunchtime break (approximately 30 minutes outside) we do encourage children to sit in shaded areas and when temperatures are particularly high, outside time is reduced.

Jewellery policy

May we remind you that it is the policy of **both** schools that jewellery should not be worn or brought to school. This includes friendship bracelets. Studs for pierced ears are permitted.

Farewells :

At the end of this Term, we say goodbye to Headteacher, Mrs. Sloyan, after 17 years and Mrs. Smith, SENCO and Class R2 teacher, after 6 years. If you would like to contribute to a gift from the children, please do so via the School Office or in a clearly labelled envelope.

The end of the Summer Term is always an extremely busy one. Please take note of key dates below. As always, if you do have any concerns or questions you need to raise, please do come in and talk to us.

Greenvale Road - parking

We have received complaints from residents in Greenvale Road regarding inconsiderate parking, especially as this area is mainly for elderly people. Many are disabled and need to park outside their homes so **PLEASE leave this area clear**. Police have been contacted.
