

Paulton Infant School Newsletter No. 4 12th October 2018

Regular Items

Rewards

Every Thursday during our Celebration Assembly one child from each class gets awarded a good work Certificate!
We didn't have celebration assembly this week instead we had our Harvest Assembly.

A huge well done to **Diamond** Class who are the only class to have **100%** attendance this week!

Highlight of the Week

Our Harvest Assembly was a wonderful, very musical celebration and it was the first time the Reception Children had joined in a school assembly.

We were completely overwhelmed by all the donations for the Somer Valley Foodbank and we feel privileged to have been able to donate so much to this wonderful charity

Sickness and Diarrhoea

The dreaded bug seems to be doing the rounds again. Please remember that your child **MUST NOT** return to school until 48 hours after the last time they had any symptoms.

GEM POWER

Our Gem power of the term is...

Emerald Power

Which means 'having a go'.

Hugo P in Jade Class, showed us just that this week. Hugo independently got him self changed for PE and back again. Well done Hugo!

Mrs Hogan was joined this week by;

- Amelia S from Ruby Class
- Jemima T from Jade
- Taryn C from Opal
- Regan S from Moonstone
- Koray E from Emerald
- Joseph R from Diamond
- Josh S from Sapphire
- Adam C from Amethyst

Lewis N from Topaz

Congratulations to all these children for exemplary behaviour and showing a fantastic attitude to learning!

Dates for next week

Monday 15th October Emerald, Diamond and Sapphire Class trip to Chelwood Forest

Thursday 18th October 4-6 p.m. Parents evening Sign up sheets will be available from Monday morning. We tried to put them up today but they blew away!

Finally Did you know? The world's largest pumpkin weighed in at 1,872 pounds.
